# PAPERCRAFT CITY PROJECT 2

Papercraft 2: City Project is a massive adventure map on the Minecraft Marketplace full of thrilling quests, hours of gameplay and an amazingly unique style. The mobs in the game are made to look just like paper cut-outs and you can drive around little paper cars just like this one! Purchase it today through the Store button in Minecraft on your device of choice.

Hey kids, make sure you get an adult to help when using sharp scissors.
